

*We know you care.
Will you help?*

Each year, more than 1,000 of our friends and neighbors seek the services of the Sexual Assault Resource and Counseling Center (SARCC). The average age of a child client is just 9 years old; in our 30+ years of service, the oldest victim was 89 years old, and the youngest? Just 4 weeks.

Our clients are courageous...

Individuals, who have had forced upon them a devastating physical and emotional intrusion that changes the course of their lives. And they are the mothers, fathers, husbands, wives, and partners of victims who want to understand what their loved ones need from them.

We don't do our work alone. SARCC works with police, prosecutors, teachers, hospitals, doctors, nurses and a host of others to secure services and advocate on behalf of our clients.

That's why we need to work together to protect our community and support those who are victimized. We depend on a very special group of contributors with big hearts to make sure that victims of sexual assault have the professional care they need.

If you want to offer financial support, please act today. Call our office for details.

A UNITED WAY AGENCY: A copy of the official registration and financial information may be obtained from the PA Dept. of State by calling toll-free, within PA 1-800-732-0999. Registration does not imply endorsement.
